

STATEMENT OF GUIDING PRINCIPLES FOR BUILDING AND SITES

The primary purpose of the school building program is to provide the best environment in which to achieve the educational objectives of the school district.

The Board of Directors has full and final responsibility for the selection of sites, employment of personnel, contracting for services, approval of plans, authorization and acceptance of bids, and payment for work performed on contractual agreement; the Board also has the responsibility for final acceptance or rejection of work done. All related actions should be taken only on the basis of official Board resolutions, passed upon formal recommendations from district administrators at legal Board meetings.

The superintendent shall be responsible for organizing and coordinating the efforts of the various individuals and groups to best achieve the established educational objectives of the building program, and for making recommendations to the Board of Directors.
