

LICENSED EMPLOYEE COMPENSATION ADVANCEMENT

The board will determine if licensed employees will advance in compensation for their licensed employees' positions, keeping in mind the financial condition of the school district, the education and experience of the licensed employee, the educational philosophy of the school district, and other considerations as determined by the board.

It is the responsibility of the superintendent to make a recommendation to the board for the advancement of licensed employees.

Note: Boards should adopt IASB sample policies to meet the needs of the local district. Please ensure that the language contained in local policy is consistent with language contained in other district documents (e.g., handbooks, master contracts, etc.).
